the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (*see Journals, 1901, page 58*), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accordance with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

VICTORIA REGISTRY, SUPREME COURT,
 VICTORIA, B.C., 28th July, 1903.

To the Hon. the Provincial Secretary:

SIR,—I have the honour to forward herewith the opinion of the Full Court on the questions submitted to it by His Honour the Lieutenant-Governor in Council by Order in Council dated 23rd July. Also, copies of the reasons delivered by the Judges who composed said Full Court.

I have, &c.,
 B. H. TYRWHITT DRAKE,
 Registrar.

Copy of a Report of a Committee of the Honourable the Executive Council, approved by His Honour the Lieutenant-Governor on the 23rd day of July, 1903.

At the Executive Council Chamber, Victoria, B. C., the 23rd of July, A.D. 1903.

PRESENT:

His Honour the Lieutenant-Governor in Council.

On the recommendation of the Honourable the Attorney-General, and under the powers conferred by section 98 of the "Supreme Court Act,"

His Honour the Lieutenant-Governor of British Columbia, by and with the advice of His Executive Council, doth order that the following questions be referred to the Full Court for hearing and determination:—

1. Under the Provincial Elections Act and Amendment Acts of the Province of British Columbia, can an application to be placed on the Register of Voters for an Electoral District in the Province be sworn or affirmed outside the limits of the Province; and can the venue and jurat of the Affidavit, Form A, "Provincial Elections Act Amendment Act, 1902," be varied to conform to that fact?

2. If the answer is in the affirmative, what official may administer the oath or affirmation?

3. If the Provincial Elections Act provides no machinery for dealing with applications by persons temporarily outside the Province, has the Lieutenant-Governor in Council power under the Provincial Elections Act and Amendment Acts, and section 11 of chapter 58 of the Statutes of 1902, being the "Redistribution Act, 1902," to make regulations on this subject whereby any such affidavits or affirmations made without the Province may be received by the Collectors of Voters, and the applicants' names be placed upon the Register of Voters?

A. E. McPHILLIPS,
Clerk of the Executive Council.

Pursuant to section 99 of the "Supreme Court Act," the Full Court hereby certifies that it is of opinion that the questions submitted to it by His Honour the Lieutenant-Governor in Council by Order in Council dated July 23rd, 1903, should be answered as follows:—

1. Under the "Provincial Elections Act" and amendment Acts of the Province of British Columbia, can an application to be placed on the Register of Voters for an Electoral District in the Province be sworn or affirmed outside the limits of the Province; and can the venue and jurat of the affidavit, Form A, "Provincial Elections Act Amendment Act, 1902," be varied to conform to that fact?

Answer: Yes.

2. If the answer is in the affirmative, what official may administer the oath or affirmation?

Answer: A Commissioner for taking affidavits in and for the Courts of British Columbia, and any officer named in section 4 of the "Provincial Elections Act Amendment Act, 1902," who derives his power from Provincial authority, or who ordinarily resides and performs his duties within the Province.

3. If the "Provincial Elections Act" provides no machinery for dealing with applications by persons temporarily outside the Province, has the Lieutenant-Governor in Council power, under the "Provincial Elections Act" and amendment Acts, and section 11 of chapter 58 of the Statutes of 1902, being the "Redistribution Act, 1902," to make regulations on this subject whereby any such affidavits or affirmations made without the Province may be received by the Collector of Voters, and the applicants' names be placed upon the Register of Voters?

Answer: Yes.

By the Court,

B. H. TYRWHITT DRAKE,
Registrar.

IN THE SUPREME COURT OF BRITISH COLUMBIA.—IN THE FULL COURT.

In the matter of the "Provincial Elections Act, 1902"; and, in the matter of the Application of Thomas Earle.

JUDGMENT OF HUNTER, C. J.

Owing to the urgency of the case, we think it is better to give our decision now rather than to reserve judgment.

Speaking for myself, I am of the opinion that it is quite clear, in the first place, that the Legislature did not intend to disfranchise any person simply because he might be temporarily absent from the Province, especially applicants in the position of Mr. Earle who have public duties to perform elsewhere; I do not think that can be gainsaid. The sole question is whether the machinery has been provided in order to enable such persons to get on the list.

Now, dealing with section 11, sub-section (b), the Collector is required not to insert the name of any person on the list, unless the Form A is furnished in accordance with the Act. Some meaning has to be given to the words "in accordance with the Act." And we have to look at what is in Form A. We find everything on page 71 of this edition of the Act, which has

been handed to me, is included in this Form A. And it is obvious at a glance that it was not the intention of the Legislature to have everything inserted in the application, which is on that page. Included in it, for instance, is the title "Form A"; I do not think it could be seriously contended that the omission of that would affect it. And again, the presence of the note which is at the bottom of that page, which says:—

"Any person applying for registration in any Electoral District while his name appears on the Register of any other District is liable to a penalty of fifty dollars. Any person who takes any false affidavit (or affirmation) is guilty of perjury and liable to fourteen years' imprisonment."

would not be essential to the validity of the application. That being the case, it is evident that the Legislature did not intend that all that appears there should appear in the application in order to constitute a good application.

Then the only question is as to whether that portion of the jurat in the Form, which mentions that the affidavit is taken in the Province of British Columbia, is of vital or essential part of the Form. I do not think it is. In the first place, there is nothing in the Act which says that this affidavit is not to be sworn outside of the Province, or, affirmatively speaking, is to be sworn in the Province. The only place in which anything is said about that is in this Form. I do not think it is an essential part of the Form to say that the affidavit is sworn in British Columbia. It is essential according to *Archibald v. Hubley* (1890), 18 S. C. R., 116, that it shall be stated to be sworn before the Commissioner before whom it purports to have been sworn. But it is not essential to making it a good affidavit to mention the place mentioned in the Form.

Now, that being the case, there being nothing in the body of the Act to say that the affidavit shall not be sworn outside of the Province, I do not think the affidavit is invalid merely because it is sworn outside the Province, as if it states where it is sworn it is "in accordance with the Act"; and it is moreover plain that if we were to hold that the wording of the jurat had to be strictly followed we should reduce the expression "and show such person to be entitled to be placed on the Register of Voters" to useless verbiage.

With respect to the section providing for officers to take these affidavits, if it were necessary to so hold, I would be quite prepared to hold that such an affidavit could be taken before a Commissioner appointed to take affidavits outside the Province for use within the Province, because that officer is a Provincial officer just as much as a Commissioner for taking affidavits within the Province. I am inclined to think, too, that the other officers named in the section are personae designatae, i.e., that all included in the list who derive their powers, from Provincial authority, or who ordinarily reside and perform their duties within the Province, could take these affidavits outside as well as inside the Province. For instance, I think that the Mayor of Victoria could administer the oath in Seattle just as effectually as in Victoria.

But under all the circumstances, I think the best course for the proper authorities to take would be to avail themselves of the powers conferred by section 210A of the Elections Act, and section 11 of the Redistribution Act, and to provide a proper form for the use of persons temporarily residing outside of the Province, and especially naming proper officers before whom the affidavit is to be sworn. And I think further, it may perhaps be a good plan to provide that such applications should be put in a separate list, and that a separate list be made up of such voters, so that in any case of difficulty arising afterwards, it will appear at once whether the application originated inside or outside the Province.

I would, therefore, answer the questions submitted to us as follows:—

1. Under the Provincial Elections Act and Amendment Acts of the Province of British Columbia, can an application to be placed on the Register of Voters for an Electoral District in the Province be sworn or affirmed outside the limits of the Province; and can the venue and jurat of the affidavit, Form A, "Provincial Elections Act Amendment Act, 1902," be varied to conform to that fact?

Answer: Yes.

2. If the answer is in the affirmative, what official may administer the oath of affirmation?

Answer: A Commissioner for taking affidavits in and for the Courts of British Columbia, and any officer named in section 4 of the "Provincial Elections Act Amendment Act, 1902," who derives his powers from

Provincial authority or who ordinarily resides and performs his duties within the Province.

3. If the Provincial Elections Act provides no machinery for dealing with applications by persons temporarily outside of the Province, has the Lieutenant-Governor in Council power, under the Provincial Elections Act and Amendment Acts, and section 11 of chapter 58 of the Statutes of 1902, being the "Redistribution Act, 1902," to make regulations on this subject whereby any such affidavits or affirmations made without the Province may be received by the Collectors of Voters, and the applicants' names be placed upon the Register of Voters?

Answer: Yes.

G. HUNTER, C. J.

JUDGMENT OF THE HON. MR. JUSTICE WALKER.

My answer to the first and second questions is as follows:—

By section 4 of the Provincial Elections Act of 1902, the affidavit of an applicant to be registered as a voter may be taken before a Commissioner for taking affidavits in the Supreme Court, and also, amongst other officers, before a Notary. The Oaths Act, cap. 3, R. S. B. C., 1897, provides for the appointment of Commissioners within British Columbia, as well as without British Columbia, for the taking of affidavits for use in the Supreme Court, as well as other Courts of the Province. It is with the second class of Commissioners that we are concerned, namely, those appointed outside of the Province. The provisions relating to them appear in sections 11, 12 and 13 of the Act mentioned. Section 13 specifies who the Commissioners are to be, and, amongst them, names a Notary Public, who shall certify the affidavit under his hand and official seal.

Now, it is clear that any one of the persons named in section 13 has power as a Commissioner for taking affidavits in the Supreme Court to take the affidavit of an applicant for registration as a voter here who happens to be abroad. No commission would seem to be necessary, for the Statute itself constitutes the persons named in section 13 as Commissioners "out of British Columbia."

My answer to the third question is that rules and regulations may be made, provided they are not inconsistent with the provisions of the Provincial Elections Act, or of the Oaths' Act. This latter Act was not brought to our attention when the above questions were presented to us in Court.

It is a rule that franchise Acts should be liberally construed. The object of the Elections Act is to enfranchise, and not disfranchise, persons who possess the necessary qualifications for being placed upon the Voters' List; and hence the Act should, if possible, be so construed as to forward that object. Colquhoun v. Brooks (1889), 14 App. Cas. 493.

GEO. A. WALKER, J.

JUDGMENT OF THE HON. MR. JUSTICE DRAKE.

July, 1903.—In reply to the questions referred to the Full Court by His Honour the Lieutenant-Governor of British Columbia, I am of the opinion that question 1 should be answered in the affirmative.

The persons named in section 4 are entitled to take the affidavit mentioned in section 3 whether they are within or without the Province, provided that they are officers appointed by the Provincial Government,

as there is no restriction in the Act limiting their powers to acts within the Province. The only restriction from which it is contended that the person before whom the affidavit is taken must be within the Province when the oath is taken is what appears in the jurat, "Sworn before me at, in the Province of British Columbia." The affidavit is, by section 2 of chap. 21, to be in Form A. That form contains matters which are directory only, and the omission of which will not invalidate the affidavit. If the form varies from the Statute, the Statute will govern. The term "Commissioner for taking Affidavits in the Supreme Court," for instance, is not restricted to Commissioners within the Province. There are numerous persons who hold Commissions without the Province to take affidavits without the Province. If it had been intended to limit the officers to those within the Province, it was easy to insert restrictive words. The consequence is the language of the jurat must give way to the Act. I am also of opinion that, under section 11 of cap. 58, 1892, and section 20, cap. 38, 1898 (which is an amendment to the Act of 1897), and the provisions of which, by section 7 of cap. 58, 1892, are made applicable to the last-mentioned Act, it is within the powers of the Lieutenant-Governor in Council to make regulations deemed necessary for carrying out the provisions of the Act, or to meet any contingency not provided for, or make regulations in any proceedings for which express provision has not been made, or where partial provision only has been made, or when alterations of any forms may be found necessary. An Act affecting the franchise should have a liberal construction, so as not to disfranchise persons otherwise entitled to vote. Such being the case, it would not be contrary to the Act for the Lieutenant-Governor in Council to make provisions for unforeseen contingencies, such as might arise from persons temporarily absent at the time that registration was necessary in order to get their names on the Register of Voters, and to clear away any objections which might be taken at the polls to the forms in which any application to vote should be made. Any such additional regulations made by the Lieutenant-Governor in Council are equally as binding as if inserted in the Act itself.

M. W. TYRWHITT DRAKE, J.

JUDGMENT OF THE HON. MR. JUSTICE IRVING.

I have only a few words to add.

I agree with the answers given by my lord, except that, in my opinion, the second question should be answered so as to include any Commissioner for taking affidavits without the Province for use in the Courts of British Columbia: also any Notary Public of a foreign Province, country or State.

The following extract from Brooke on Notaries, p. 16, seems to me to be a conclusive authority for the proposition that if section 3 does not require the affidavits to be sworn within British Columbia, then a Notary Public without the Province has power to act under section 4:—

"A Notary Public being considered not merely as an officer of the country where he is admitted, but as an accredited officer in other countries, any affidavits sworn before, and instruments authenticated by, him being respected and received as evidence in foreign Courts."
